

Step into refined craftsmanship and *visionary design*

Elegance where every detail is thoughtfully curated to shape spaces that are both timeless and personal.

Regent LUX is the high-design cabinetry line for spaces that demand more than the ordinary. Premium finishes, elite construction, defined luxury.

The details that *define LUX.*

- Frameless European Construction
- Slim Profile Metal R-Box Drawer System
- Soft-Closing Slides & Hinges Throughout
- Knife-Edge Detail on Slab Door Design Available
- Integrated Laser Edge Banding
- Exposed Metal Feet for Elevated Visual Presence
- Premium Luxury Finishes

Regent LUX is a curated collection of premium finish types, elevated hardware, and sleek frameless construction — brought together for high-design multifamily projects. Every detail is thoughtfully curated, based on what luxury designers actually specify when they demand the best.

A frameless European construction standard. Soft-close hardware throughout. Exposed metal feet. Knife-edge door profiles. These are not upgrades — they are the **Regent LUX** baseline.

A complete custom line.
Every surface, every vision.

- PET
- Real Wood Veneer
- True-Feel EIR
